

MOHAMMAD-ALI NIKOUEI MAHANI

PERSONAL INFORMATION

Birth: June 29th, 1986

Visiting Address: room 4308, Cognition and Perception, Schleichstraße 4, 72076, Tübingen, Germany

Nationality: Iranian, Germany resident

Personal Homepage: www.mahani.info

Email: ma@mahani.info, man.mahani@gmail.com

Phone: +4917626130111

HIGHLIGHTS AND SOLID KNOWLEDGE

- Machine learning and Pattern recognition
- Cognitive Science
- Machine vision
- Robotics/HRI
- Embedded systems
- Intelligent Transportation Systems

EDUCATION

2011 – 2016

Ph.D. in Robotics and Artificial Intelligence (Computer Science)-Cognitive Science

Joint PhD from University of Tehran in Robotics and Artificial Intelligence, and University of Tübingen in Cognitive science.

Supervisors: *Prof. Majid Nili Ahmadabadi, Prof. Rolf Ulrich*

2008– 2010

M.Sc. in Artificial Intelligence (Computer Science)

Department of Electrical and Computer Engineering, Shiraz University

2005 –2008

B.Sc. in Computer Engineering

Department of Electrical and Computer Engineering, Shahid Bahonar University of Kerman

2001 –2005

Exceptional Talents High School (NODET)

Mathematics & Physics

WORK EXPERIENCES

Visiting scholar, Institute for Psychology, Cognition and perception group, University of Tübingen

Research scientist, School of Cognitive Sciences at Institute for Research in Fundamental sciences (IPM).

Research scientist, Cognitive robotics lab, University of Tehran

Programmer and project manager at image processing and AI Dept., *The Center of Advanced Systems and Technologies (CAST).*

Manager of R&D at Robotics and AI Dept., *Sepanta Company*, joint with *SRRF Company*.

Project manager at Intelligent Transportation Systems (ITS) Dept., *Taradod Rahnama company*.

Head of executive committee of 1st Robotics Contest, Sharif University of Technology.

Research assistant, Signal Processing Center of the Shiraz University

AWARDS AND HONORS

- Member of National Institute of the Elite (NIE)
- First Rank in the 4th Kharazmi Festival (most prestigious scientific festival in Iran)
- First rank in Kid-Size humanoid league of the 2nd International IranOprn Robocup competitions
- International Robocup qualification and participations (from 2004 to 2008)
- Awarded research grant of Cognitive Sciences and Technologies Council for Joint program study
- Best Researcher of the Kerman Province
- Accepted for Bachelor degree without entrance exam (Talent Student), Shahid Bahonar University
- Accepted for Master degree without entrance exam (Talent Student), Shiraz University
- Accepted for PhD degree without entrance exam, (Talent Student), University of Tehran
- Awarded research grant of Iranian research institute for M.Sc. Thesis.

SKILLS

Programming Languages:

- **Solid:** C++/C/C#, MATLAB
- **Experience:** Java, Pascal (Delphi), Python, CUDA, MySQL, MS-SQL, XML, HTML, PHP, JavaScript, LATEX, assembly, basic

Hardware:

- **Microcontrollers:** ARM (ST, LPC), AVR xmega/mega, PIC, beagle board, Radxa, ...
- **Platform and Tools:** Keil, Xenomi RT Patch, Codevision, AVRGCC, BASCOM, Proteus, Altium Designer.

Operating Systems:

 Linux, Windows

Packages and Libraries: OpenCV (GPU/CPU), Open-RTM, OpenMP, QT, SLAB3d, PCL (Point Cloud Library), ROS, Weka, OpenFrameWorks, CUDA, Webots, NAO, Bioloid, Kinect, CMUCAM, and many others!

SELECTED PROJECTS

- **Wearable Artificial Sensory Device**
- **Portable ECG/EKG (on mobile and standalone)**
- **Humanoid Robot (Surena III, national humanoid robot)**
- **Vehicle counting/categorizing**
- **Stereopsis Tracking**
- **Automatic Number and Plate Recognition System**
- **Optical Character Recognition System**
- **Object Recognition**
- **Rain Sensor**
- **GPS/GSM based tracking system**
- **Action Perception**
- **Fuzzy Edge Detector**

LANGUAGE SKILLS

English: Fluent
Persian/Farsi: Maternal
German: Elementary
Arabic: Elementary

PATENTS

M. Sharifi, **M.A. Nikouei Mahani**, M. Arabnezhad, S. jafari, "Adaptive Vehicle Safety System", patent No. 43209, Iran Patents.

ROBOCUPS

- International IranOpen 2011 Robotic math, UAV league, in Iran.
- International Robocup 2008 match, humanoid league, in china with Shiraz University (Pasargad Team).
- International IranOpen 2008 Robotic match, humanoid league, in Iran.
- International Robocup 2007 match, humanoid league, in America.

- International IranOpen 2007 Robotic match, humanoid league, in Iran.
- International Robocop 2006 match, humanoid league, in Germany.
- International Robocop 2005 match, humanoid league, in Japan.
- International Robocop 2004 match, humanoid league, in Portugal
